I know I replied to this message a day or so ago. I wonder why it's not showing up. Anyway.....Yeah, I just have not had the time or energy to put together a small gathering. I was hopeing after the Fourth of July, but it just ain't happened. Cinci would be a long way to travel for a scrapbooking store, but, I'll tell you, there are a ton of them around. I have no idea what it is about this area, but that is one hot market. There is at least one scrapbooking party a week in my subdivision. If your wife needs me to pick up anything specific, let me know.Glad to hear you got your saw. I've been looking for a couple of years now and just cannot make up my mind. I really had my heart set on a Jet (http://www.amazon.com/exec/obidos/tg/detail/-/B00006WP0Z/qid=1121476113/sr=1-5/ref=sr_1_5/103-3709346-3860637?v=glance&s=hi) but lately I'm kinda looking at the Grizzly line (http://www.amazon.com/exec/obidos/tg/detail/-/B0000E3HNN/qid=1121476206/sr=1-4/ref=sr_1_4/103-3709346-3860637?v=glance&s=hi) I'd like to know how the Craftsman works out and if you have any opinions on the two aforementioned ones.....Colin
