Thank you, daemon!And thank you Wayne for making it possible for me to have my own forum here at the RoundTable. Since it's sort of like having my own soapbox, I'll be posting random rantings and ravings there from time to time, and invite any and all to drop in and fire off a few. To get things started over there, I've initiated a couple of threads that might be of interest.Diversion (or maybe just boredom) is but a click away...Duke
