I'm really looking forward to it too! Just one more week!On a side note, I need to get a head count of rooms so please check in with me this weekend if you have a room. Embassy Suites dinged my card for $6500, which is particularly distressing in light of last year's construction. Thought they were going to make things up to us this year. Anyway, I need to show them an inventory of rooms to reconcile this so please check in with me and pass the word.
