Looks like July 15th will be the next meeting of the wrongsideofthetracks. This will be held at my house in Cincinnati, which just happens to be 2 exits from Parts Express. The morning will be spent at the Parts Express' tent sale (http://www.partsexpress.com/webpage.cfm?&DID=7&WebPage_ID=374) and then a few hours at Mendelson Electronics Company (http://www.meci.com/aboutus.php) After this we'll go back to my house for food, drinks and tunes.....Colin
