Hi Wayne:Have you ever heard of the VFW?You know, of course, that it stands for Veterans of Foreign Wars.I'll bet you didn't know about the VJW.I'm a member... believe they made me a lifetime member...it's the Veterans of the Jute Wars.Best way to (if your so inclined) see all the shaninigans is to go to www.dejanews.com and do a search on rec.audio.tubes... type in MagneQuest as the search term and then type in Andre Jute as the author.If you want to get to perhaps some of the most humorous parts quickly type in "killer bees" as the search term and type in Andre Jute as the author.fair warning.... there is probably in excess of 2,000 posts over the life of this... and it still goes on a bit today... I go over there every once in a while to see if I am still after "world domination"... a charge made by the honorable Mr. Jute.to me it's old hat... I think maybe like six to eight years old.... but like many things on the net... it seems to have a life of it's own...so... when I have kooks saying they are going to run me out of biz and ruin me... I just pull out my VJW membership card and realize that I am still here some 16 years after starting our small enterprise.msl
