Yes. a great man. He stood high to his standards and brought the Country together in ways in may never be again. Truly our last great President.My favorite quote was " The bombs drop in 5 mins"CCCP put everything it had in the air and took his jokenly remark most serious.This was the point of "know" return. Yes, the Man was a great leader. I will see his gravesite in Aug, and have an appointment to do so. I still have a letter signed from him to me personally...just like my Dad has one signed by Sir Winston Churchill on his 90'th Birthday. Too bad Sir Winston was dead before my Dad actually receved it...but I have it right here.
