There's a new thread on AA about why VTV issue 21 is late.Gee, if AA's regulars hate VTV and Charlie sooooo much, then why do threads like the following keep appearing there?http://db.audioasylum.com/cgi/t.mpl?f=tubes&m=168818And if VTV is such a crap magazine, then why do so many AA users keep building and asking about the VTV 6SN7 line stage?http://db.audioasylum.com/cgi/t.mpl?f=tubediy&m=85087Just asking.
