DJ Dave wrote on Wed, 22 June 2011 07:35OK, so I really checked out this post because I thought it was about something else - but, yeah, I sit length-wise on my loveseat with my feet up and my back propped up with pillows.....

Hahaha, I actually am surprised with my dirty mind that I didn't think of that. I actually for some reason thought about football positions, which is strange since I am not a football junkie.

Mmmm positions...

Anyway, I usually just sit down. Since I unfortunately lack a TV in my room, I can't lie down really. I don't really have a problem sitting down though, but I would like to watch TV in bed.
