I'm dying to see that film, but I'm going to wait the 28 or so days until it's available for streaming. I'm cool with going to an outdoor concert, but sitting in a crowded indoor theater is pushing it.

We streamed Cruella for the girls, and it's pretty intense. I think it's one of Disney's best, probably because it's a prequel instead of a remake. Both Emmas killed it! I'm not used to seeing either lady as a cold as ice character, but they each managed to bring their best, uh worst, to the table. I'm glad we watched it at home, because it might've been too intense in the theater on the big screen.
