Thanks for the kind words... Paint job was done with gloss paint and a roller!!!! Yes, I too was

amazed with the finish ... first tiem I used a roller with gloss ... it looks like it was sprayed .. I willnever use a brush again!!!Cheers,derek

Nice work, Derek. I like those Northcreek Zen caps too! They are audibly smoother than Solens and Daytons. Here's a tip for anybody who wants to upgrade the tweeter cap in their One or Two Pi's: Northcreek is having a final clearance sale on their caps, and the 10uF is on sale for $7.
