Hi, Funny . Unfortunately I have more speakers than I can ever use. Let's see... Martin Logan Vista ESLs, Martin Logan Prefaces, Klipsch KG4, Altec Lansing 1010, Altec Lansing Magnificents (modded), Pioneer Cylindrical ones, Dayton MTMs, Dayton BR-1s, BOSE (yes I know - Buy Other Stereo Equipment) 301s and 141s (for HT use). A couple Sonys, Yamahas, RS, others that haven't seen daylight in a long time as well. Most as you might guess are in storage. I had to get a 12X12 Barn shed with loft to store all my excess stuff.

Someone out there really needs to help Shane.
