gofar99 wrote on Tue, 19 July 2011 12:22 A good thing this is in tower. I must have been asleep as I too first thought about football. I guess it is a sign of being a dinosaur.

Both topics crossed my mind, but since this is in the tower my first guess was that this was about football or something like that. I didn't think it would be about TV at all.

I used to like to watch TV lying down, but now it makes me too tired. I prefer to sit in a comfortable chair. Couches aren't bad, but even they make me too tempted to go to sleep.
