It seems like Ben Stiller is in lots of movies these days. I haven't had a chance to go see "Tower Heist" yet, but I hope to soon. I recently got to play the part of an extra in his upcoming movie, "Neighborhood Watch", and I got to see him in action! He really is an awesome actor, and I have gained a lot more appreciation after seeing him live!

I thought it was pretty good. Kinda weird to see Ben Stiller play the straight man.

I actually had free passes to go see it, but just couldn't make it there that day. I've heard it's good, so I won't mind paying to see it.

I am hoping that Eddie Murphy's role will make people appreciate him again. I think he has always been an awesome comedian. He was very funny in Saturday Night Live and the Beverly Hills Cop movies. He sort of got a bad rep in later years. Maybe this will bring him back.
