gofar99 wrote on Wed, 11 May 2011 17:41Hi Wayne, So much for requesting adjacent rooms .  
213 and 228 don't sound like they are next to each other. I'll raise a fuss when I get in tomorrow.  
This will cut back what we can do a bunch.

Tony Landry in 226 is a Houston Audio Society friend. I'll call him tomorrow and ask if he'll swap  
rooms with you.
