I know I mentioned this in the other thread, but I really can't believe The Walking Dead is being cancelled if the ratings are still there. I must be oblivious to how the rating system works. Whatever the case, I am devastated. I don't watch too many new shows, but my brother got me into this one and I was hooked instantly. Anyone else a fan?

I read this and they said it was a prank. Someone is trying to start a rumor that the show is being cancelled. I've heard the ratings are good so why would AMC cancel The Walking Dead.

Well thank goodness it's not cancelled. We really like watching The Walking Dead. I hate that I have to wait until October to see the new season. I want to know what's going to happen at the cannibal center.

I saw this on my Facebook feed a while back and I knew it was a prank without even clicking on the link. The Walking Dead's ratings are just way too high for them to cancel, plus they are filming not too far from where I live.
