Here's a little bit of info about the internet radio deal and a link to a website that helps you know who to call to possibly make a difference. It would be cool to see them make the decision to keep the rates down. I don't think it's really fair to goose the (already ridiculously high) royalties we're paying.Paradise to poverty: the fight for I-radioSaveNetRadio.org

I already did email our 2 senators. No response yet from either, except for the canned letter. I guess their record will show how they voted for this. But yes, please call & write!-akhilesh
