Subject: Food Trucks Posted by Danny on Wed, 03 Aug 2011 13:14:18 GMT View Forum Message <> Reply to Message

Has anyone noticed the latest food truck craze? Food trucks have actually been around for a while, but now they are coming out with some more modern versions with very eclectic menus. I was in a park yesterday and saw a sign that said they were having "Food Truck Wednesdays" there. Every Wednesday, there will be food trucks for lunch from 11am to 2pm. Very cool!
