I had the opportunity to attend a screeing for Brad Pitt's new movie, Moneyball. If you are a baseball fan, you will really love this movie! I don't think it is going to be the movie of the year, though. Brad Pitt is really looking like a young Robert Redford these days! It is a pretty decent movie, all in all.

I still have not seen this but I think I will get it when it comes out on DVD. I've never really been a fan of Brad Pitt, but I do love baseball! Anyone else seen it? Thoughts?
