Subject: Do you think 2012 will be a better year?

I was just wondering if anyone else thinks that 2012 will be a better year? For me, personally, I think it will. I am ending the year with more work prospects, and, if nothing, else, it will start out good!

Hi, Being the optimist that I am, sure. It might be difficult to be a worse year. A number of signs are pointing in the right direction, but then we have all been fooled before.
