I haven't checked lately, but who do you think is more popular on the radio right now? Rush Limbaugh or Howard Stern? They're on opposite sides of the fence as far as their styles go, so I think it would be interesting to find out.

I don't know but I can tell you that I wouldn't listen to either of them. I think Rush is too "right wing" and Howard is too gross and demeaning to women! I really don't care which one has a bigger fan base.
