Neil Smith, who once was a member of AC/DC and Rose Tattoo, died a couple days ago. He was part of AC/DC's rhythm section back in the 70s.

Sad to hear it. Do you know how old he was? My dad loves that kind of music and I am sure that it's going to make him feel old to know his peers are passing on.

I never heard of him before. I guess he was a pretty minor member. If he was playing in a band in the '70s, he had to have been at least 50 years old when he passed.
