I managed to get off work about 2 1/2 hours early today, which was really cool because I made it home in time to watch today's coverage of the Master's tournament. Any other Master's fans here?

Congrats on getting off work early! Those days are few and far between for me. As for the Master's tournament, I caught a bit of it over the weekend, but I didn't watch it religiously. The hubby pretty much watched it start to finish though.
