One of my vinyl treasures from my previous life was the Bach Magnificat with Emma Kirkby on Philips 411 458-1.Until recently, I searched in vain to replace it. Today it arrived from an E-bay seller and it's as heavenly as I remember. Kirkby is a goddess and the Monteverdi Choir, English Baroque Soloists and John Eliot Gardiner, pretty fair sidemen.

Noting better than re-aquiring an old treasure, once lost!
