Don't get me wrong, not that big a deal as the welcome back message let me know my last visit was 3/21, LOL!But I went to research tweeters and was greeted with a combo of "Outside" and "Whiners Woad"!Politics and Polemics.Maybe Katrina finally politicising the complacent is a good thing but I already marched on the Pentagon and want audio on audio boards.I guess I've become my grandfather.....

I usually just don't participate in political discussions. Sometimes I'll respond, but usually not. I prefer to stick with technical themes.
