I think it's all in the title. I get tired of hearing cartoons half the day, and guess what my husband turns on for the kiddos after he's been at work all day? Yep, the same darn cartoons! Then he wonders why I gripe about it.

I feel the same way about Barney and stinking Dora the Explorer. Those are the only things my daughter actually sits still and watches while I work. I've got to get a laptop so I can just go in another room. The Barney song gets stuck in my head for days at a time!

I know what you mean guys! Barney is the worst because there are so many songs in all of them! My little girl's favorite is Dora...I swear she would watch it all day if you would let her.
