http://cgi.ebay.com/New-Shuguang-7025B-12AX7B-ECC83-Vacuum-Tube-4pcs_W0QQitemZ180224094228QQcmdZViewItem?_trksid=p3286.m20.l1116 These are great tubes as are the next link. Note that when I say the mids are "Mullard-like" I don't mean they are in any way as good as the real Mullards, just that they have a "taste" of Mullard to them.
