After binge watching Dexter for the last 2-3 weeks, we will finally be wrapping up the series tonight. We have 3 episodes left before we have to move on. We have finished Breaking Bad and Dexter so far, but haven't made up our minds what our next series will be. Does anyone have any recommendations?

Those are two series that I need to check out; I keep meaning to but I haven't yet. Anyways, what about some of these:

Orange is the New Black
House of Cards
Game of Thrones
The Walking Dead
Cheers (Okay, so that's an old one, but the whole series is on Netflix and it's a long one.)

Those are just a few that I can think of off the top of my head.

We just started watching Bates Motel and it is a great show. There is quite a lot going on, but if you like the Psycho movie, you will definitely enjoy finding out how Norman Bates became that man.

What about Hannibal? Both the Dexter and Hannibal series are currently showing on television, and both seem to be quite popular. But, there is a huge difference between slicing up humans and eating human flesh. I still prefer Dexter.

I have not bought into the Dexter show yet. I might though. I love Hannibal. I think it is a great TV show. I wasn't sure how it was going to be but so far it is really good.
