What was the most recent movie you have seen? Did you enjoy it? Would you watch it again in the future? (:

The most recent movie I watched was the second Hobbit movie; it's the one that introduces the dragon Smaug. It is a VERY good movie and I would highly recommend it, especially if you are a Lord of the Rings fan already.

I think the most recent movie I watched was Honey, I Shrunk the Kids. It's an old movie but it's definitely a good one. I think it was filmed in '93 or '95.

The most recent movie I watched was Despicable Me. I absolutely loved it. There are a lot of great jokes for adults hidden in there.
