It's cranky, uneven, and family unfriendly. It's amusing a decent number of times, so I keep watching. What's your favorite episode? Guest?

I'm on the final season and just finished the episode with Sienna Miller and Lori Loughlin. Thumbs up.

The storyline with Shaquille O'Neal was funny! The other guest I appreciated was Alexander Vindman at the end of Season 11, even though he was pretty much just playing himself.

I have watched about 8 or 9 episodes, but I feel like I just couldn't get into it. Yes, some stuff was funny but I just didn't get hooked to be honest. Am I the only one?

Yeah, it's a show that makes you cringe but not want to binge. The characters complain way too often! I got curious about each season just enough to keep going.
