Oh, yeah! I forgot about that! Your Valve Art's are quieter? That, plus being blue, make's 'em quite a catch! I need to buy a few more so I can get a pair that aren't noisy. As an aside, totally off-topic, I'm bustin' at the seams about a new project. You're gonna love it, as are all the other good woodsmiths. I can't wait to show and tell...
