It may be 50\$ for the power trans on the 5867 pre. I tried many places and that is the lowest acceptable unless you want to try used; such as a dyna which has similar specs. I have considered a better quality trans in liue of boutique caps and such. ICR's and Mouser metal film with radio shack RCA jacks and a trashed line cord and fuse set-up. The chassis is the thing now. And the chokes.
