Subject: Re: Tracking Force Posted by Cooper338 on Fri, 04 Feb 2005 16:28:10 GMT View Forum Message <> Reply to Message

Yes, I believe this cartridge is designed for DJ use. I've done exactly what you suggested: use the stylus force guage to set the cartridge at 3 grams, and then tweak it just a bit higher. It sounds very good at that setting, so maybe I'll just leave well enough alone. But, the Stanton might well be worth looking into. Thanks for the recommendation.
