I just had a chance to read some of the posts from a few months ago that I missed first time around, and I saw one from "manualblock" mentioning you have a buddy who has some old tapes of Allison Steele's radioshows on WNEW-FM. Could "manualblock" please email me (click on my name). I'm a big fan of the golden age of WNEW-FM in the 60's and 70's and their djs like Steele and I'd really like to get a copy of those tapes if possible. I've got some vintage tapes of Steele, Rosko, Muni, Herman, etc, on the air back in the day that I can gladly send along in trade. Thanks!Bob
