Man; that is funny! What's the name of that story? What did you think of the movie? With Mickey Rourke? I thought the scene when the two cops come in the door for the third time and he says "What are you guys on duty 24 hrs a day?" was pretty funny. And Fay Dunaway asks him if he hates people and he says "I don't hate people; I just seem to feel better when they're not around." They caught the bar scene pretty good. Ever wake up under a pool table?
