Wayne just sent me an ART tee-shirt for fronting him a set of super sand diodes. For any of those of you who have not seen this thing, it's the mutha for ya. I'm gonna wear this baby to class (U of Hawaii), and posture magnificently while these poltroons grovel at my feet. Coeds will vie for my attention. Instructors will award me maximum GPA.Next thing I'm going to do is negotiate some more of these.Wayne? Wayne?Poinz
