Had a pretty good night at an auction tonight. Picked up mostly 78s (maybe 500) and a crate of 33s, complete with Mantovanni. I did score more Edison discs, maybe 20. Didn't stick around for the Beatles stuff, but I'm sure it went for high dollar. Passed on a stack of reel-to-reels and an Akai R2R deck for \$10. I do have my standards.....C Click on link and then "view photo gallery" for pics
