Green guy's bringing me:Count Basie 88 Basie Street Miles Davis Kind of Blue Sarah Vaughan Sarah Vaughan Eva Cassidy Songbird I could have bought 15 or 20 used at a record show for the same $$$ but I love the Classic Chairman Of The Board so much I had to have Basie Street, never heard Blue on vinyl and used are just as expensive and Songbird and Sarah Vaughan are worth almost any price. There, rationalisations out of the way and HD overpaid my comp time Friday. 2&4 are dupes of CDs I have. Kinda reverse of 90's 'buy it again in new format'. Vinyl: the new format!
