Gee, you mean I won't be moving a queen sized bed into the bathroom at midnight as I did at MAF? What fun is that? ;-pThat's excellent! I'll need the rest since I'm going to do the drives down and back in two 12 hour days each. I was gonna take 3, but then I'd be away for 9 days, which is a little crazy. I'm not gone that long for TOPS Milan or CES Vegas!
