sounds good! thank you for explaine, Wayne. and thanks for private message. I'm realy not sure what and when can I posted.ok. my son - Kosta, he's student of Art Academy, made big cases for future loudspeakers, but have not idea what's makes now. sealed, ported, or horn maybe.this is big enclosers, I'll show pics for you next time. so, probably I'll try to calculate horn system
