Subject: Re: Replacing Monsoon MM:1000 speakers Posted by SN on Wed, 28 Nov 2007 03:47:17 GMT View Forum Message <> Reply to Message

I have a pair and they sound great until a few days a go that the power supply went. I think it's the psu because there's no power light on the sub any more. I was wonder if your psu is still working??? I'm interested in replacing mine.
