That's cool. A buddy of mine had three tickets to Kidd Rock and he couldn't go so he asked me to sell 'em on eBay for him. I couldn't go either, so I put 'em up and they sold. Pity, I like some of the stuff they've been doing, especially about three years ago. So dude, just chill out and sleep it off. You don't have to be there until 2:00pm, so if you can't make it there by then, I'm gonna razz you for a year.
