I have become accustomed to you doing a job of cheerleading (not an unneeded job, I do not judge) around here, and then you say this. It is an exposition worthy of Joe Roberts (or Chuang Tzu) at his best.Self deception; generally, a thing to be avoided.Audio systems; specifically, self deception at its best.All my brothers who have clicked this far, go back one post and read Wayne's statement again. Read it twice.Aloha, Poinz
