I could multiply $0.87 by 8 and get something less than $10 ;)You are in the professional ranks now, which means that you've acquired the ability to look at these things somewhat dispassionately.On the other hand, I’m a life long obsessive-compulsive with tendencies toward audiophilia nervosa. Consequently, refocusing on arrays could lead to rather negative financial consequences.For some, this is a hobby; for me, it's closer to a sickness.
