Subject: Might be amusing Posted by Manualblock on Sat, 07 May 2005 16:17:00 GMT View Forum Message <> Reply to Message

I hesitate to mention this but I found it funny. A certain R the cat has his own forum. There are about 50 posts on this forum; and they are all from him. Then it has different sub-forum headings; with many posts; all from him. He's his own best friend. He even answers his own posts. I think he even disagrees with himself on ocassion.
