Nice to finally get to yack at you Colin. Great looking set up, I am sure it will sound great. Below is a picture of my wall oh stuff. Bottlehead Foreplay, Paramour, Altec 416/811/802, backloaded horns, and misc other stuff. Most of which comes from Sprkman57 (Ron), who is a going to put my in the dog house before it is over but it should sound sweet.
