Sorry about the kids yelling while we on the phone. They do not realize that they are not the center of the universe. Your Bottlehead gears is nice stuff. They have all the upgrades, don't they? I like the picture of your room. I cannot wait to come give it a listen. I'll have to check with the wife for our schedule and see when you and Ron can come over. I'm thinking Ron is going to have to sneak through the back door, just to avoid the wife. If there is anything I can help you with, please give me a call.....Colin
