Thanks Werm. Thats about what i expected. I have a set of 4310'sand a set of 123's with 375's and 075's, and was consideringbuying a set of L12's to use one for a center speaker. The Guywants $400 bucks. I have a L100 Cab with Xovers, if only i couldfind the Guts to go into one. Thanks again,Frank F.
