HI ANgel,Good to hear from you again! I rebuilt the boxes, and installed them in the living room. YOU should come hear them. Wife likes their look now. I think bringing in the original boxes initially was a good idea in terms of setting the bar. THey sound very good to me. But you should listen. I will be happy to come by your place with a Single endfed amp. I have a single ended 2a3that sounds pretty good. I would love to check out the valencias. Let's coordinate by email. MAybe Wayne & BIll Wassilak & others would like to come too?-akhilesh
