Subject: speaker positioning Posted by jim denton on Mon, 29 Mar 2004 15:52:45 GMT View Forum Message <> Reply to Message

Ron,,,, Never even entered my mind to try "out" toeing the speakers!!!! I was so focused on moving them for imageing and got so caught up in toeing "in" I never gave them a chance at zero or out toe factors----thanks for the heads up for both the tip and to remember we are suppose to be the guys "out of the box" ---trying the fool stuff that just won't work------until it does ! Jim
