I know I replied to this message a day or so ago. I wonder why it's not showing up. Anyway.....Yeah, I just have not had the time or energy to put together a small gathering. I was hoping after the Fourth of July, but it just ain't happened. Cincinnati would be a long way to travel for a scrapbooking store, but, I'll tell you, there are a ton of them around. I have no idea what it is about this area, but that is one hot market. There is at least one scrapbooking party a week in my subdivision. If your wife needs me to pick up anything specific, let me know. Glad to hear you got your saw. I've been looking for a couple of years now and just cannot make up my mind. I really had my heart set on a Jet
